

or rent specified in the said order and otherwise fulfilling, as far as possible, the conditions of the said order, and after giving to the owner of the drain reasonable written notice of his intention so to do, to enter upon the land in which the said drain is situate with assistants and workmen, at any time between sunrise and sunset, and, subject to all provisions of this Act, to do all such things as may be necessary for—

(a) connecting the two drains; or

(b) renewing, repairing or altering the connection; or

(c) discharging any responsibility attaching to the person in whose favour the Commissioner's order is made for maintaining, repairing, flushing, cleansing or emptying the joint drain or any part thereof.

(4) In respect of the execution of any work under sub-section (3) the person in whose favour the Commissioner's order is made shall be subject to the same restrictions and liabilities which are specified in sub-section (4) of section 162.

Sewage and rain water drains to be distinct.

174. Whenever it is provided in this Chapter that steps shall or may be taken for the effectual drainage of any premises, the Commissioner may require that there shall be one drain for sullage, excrementitious matter and polluted water and another and an entirely distinct drain for rain water and unpolluted sub-soil water or for both rainwater and unpolluted sub-soil water, each emptying into separate municipal drains or other places legally set apart for the discharge of drainage or other suitable places.

Affixing of pipes for ventilation of drains, etc.

175. (1) For the purpose of ventilating any drain or cesspool, whether belonging to the Corporation or to any other person, the Commissioner may erect upon any premises or affix to the outside of any building or to any tree any such shaft or pipe as shall appear to the Commissioner necessary and cut through any projection from any building including the eaves of any roof thereof in order to carry up such shaft or pipe through any such projection and lay in, through, or under any land such appliances as may in the opinion of the Commissioner be necessary for connecting such ventilating shaft or pipe with the drain or cesspool intended to be ventilated.

(2) Such shaft or pipe shall be erected or affixed or removed in the manner laid down in the rules.

(3) If the Commissioner declines to remove a shaft or pipe under the rules, the owner of the premises, building or tree, upon or to which the same has been erected or affixed, may apply to the Judge, within fifteen days of the receipt by him of the reply of the Commissioner.

(4) Where the owner of any building or land cut through, opened or otherwise dealt with under sub-section (1) is not the owner of the drain or cesspool intended to be ventilated, the Commissioner shall, so far as is practicable reinstate and make good such building, and fill in and make good such land, at the charge of the Municipal Fund.

Disposal of Sewage

Appointment of places for emptying of drains and disposal of sewage.

176. The Commissioner may cause all or any municipal drains to empty into any place, whether within or without the City, and dispose of the sewage at any place whether within or without the City, and in any manner which he shall deem suitable for such purpose:

Provided that—

(a) the Commissioner shall not cause any municipal drain to empty into any place into which a municipal drain has not heretofore emptied, or dispose of sewage at any place or in any manner at or in which sewage has not heretofore been disposed of, without the sanction of the Corporation ;

(b) no municipal drain shall be made to empty into any place, and no sewage shall be disposed of at any place or in any manner which the ¹[State] Government shall think fit to disallow.
