

(b) after the expiry of the period of one year specified in sub-section (2) of section 220 ;

(c) unless such person gives written notice to the City Engineer of the date on which he proposes to proceed with any work which he is entitled to carry out and commences such work within seven days of the date mentioned in the notice.

(2) If any act be done or permitted in contravention of this section, the Commissioner may by written notice require any person doing or permitting such act—

(a) to show cause on or before such day as shall be specified in such notice by statement in writing subscribed by him in that behalf and addressed to the Commissioner, why the laying out, plotting, street or building contravening this section should not be altered to the satisfaction of the Commissioner, or, if that be in his opinion impracticable, why such street or building should not be demolished or removed or why the land should not be restored to the condition in which it was prior to the execution of the unauthorised work, or

(b) to attend personally or by an agent duly authorised by him in that behalf on such day and at such time and place as shall be specified in such notice and show cause as aforesaid.

(3) If such person shall fail to show cause to the satisfaction of the Commissioner why such street or building should not be so altered, demolished or removed or why such land should not be so restored, the Commissioner may cause the work of alteration, demolition, removal or restoration to be carried out and the expenses thereof shall be paid by the said person.

222. If a person who is entitled to proceed with any work under section 220 fails so to do within the period of one year specified therein he may at any time give fresh notice of his intention to execute such work and such notice shall be treated as a new notice under section 217.

Renewal of notice of intention to carry out works not executed in pursuance of approval given under section 220.

223. If any private street or any other means of access to a building be not levelled, metalled, flagged or paved, sewered, drained, channelled, lighted or provided with trees for shade to the satisfaction of the Commissioner, he may, with the sanction of the Standing Committee, by written notice, require the owner or owners of the several premises fronting or adjoining the said street or other means of access or abutting thereon or to which access is obtained through such street or other means of access or which will benefit by works executed under this section to carry out any one or more of the aforesaid requirements in such manner as he shall direct.

Levelling and draining of private streets and means of access.

224. When any private street has been levelled, metalled, flagged or paved, sewered, drained, channelled and made good to the satisfaction of the Commissioner, he may and upon the request of the owners or of any of the owners, of such street, shall, if lamps, lamp-posts and other apparatus necessary for lighting such street have been provided to his satisfaction and if all land revenue payable to the ¹[State] Government in respect of the land comprised in such street has been paid, declare the same to be a public street by notice in writing put up in any part of such street, and thereupon the same shall become a public street and vest in the Corporation as such:

Power to declare private streets when sewered, etc. public streets.

Provided that no such street shall become a public street if, within one month after such notice has been put up, the owner of such street or the greater part thereof shall, by notice in writing to the Commissioner, object thereto.

225. If a portion only of any street is a public street, the other portion of such street may for all purposes of section 223 and 224 be deemed to be a private street.

Applicability of sections 223 and 224 when a street is in part public and in part private.
