

(b) upon any site or in any position which has not been approved in writing by the Commissioner.

All drains and cesspools to be properly covered and ventilated.

9. (1) Every drain and cesspool, whether belonging to the Corporation or to any other person, shall be provided with proper traps and coverings and with proper means of ventilation.

(2) The Commissioner may, by written notice, require the owner of any drain or cesspool not belonging to the Corporation to provide and apply to the said drain or cesspool such trap and covering and such means of ventilation as would be provided and applied if such drain or cesspool belonged to the Corporation.

Excrementitious matter not to be passed in to cesspool.

10. No person shall, except with the permission of the Commissioner, pass or cause or permit to be passed by excrementitious matter into any cesspool made or used under the provisions of this Act or into any drain communicating with any such cesspool.

Power of Commissioner to require adequate water-closet and other accommodation to be made.

11. (1) Where any premises are without a water-closet, or privy, or urinal, or bathing or washing place or if the Commissioner is of opinion that the existing water-closet, or privy, or urinal, or bathing or washing place accommodation, available for the persons occupying or employed in any premises is insufficient, inefficient or on any sanitary grounds objectionable, the Commissioner may, by written notice, require the owner of such premises:—

(a) to provide such, or such additional, water-closet, privy, urinal or bathing or washing place accommodation as he prescribes;

(b) to make such structural or other alterations in the existing water-closet, privy, urinal, or bathing or washing place accommodation as he prescribes; or

(c) to substitute water-closet accommodation for any privy accommodation.

(2) Any requisition under sub-rule (1) may comprise any detail specified in sub-section (2) of section 178.

Power to require privy accommodation to be provided for factories, etc.

12. Where it appears to the Commissioner that any premises are, or are intended to be, used as a market, school or theatre or other place of public resort, or as a place in which persons exceeding ten in number are employed in any manufacture, trade or business or as workmen or labourers, the Commissioner may, by written notice, require the owner or occupier of the said premises to construct a sufficient number of water-closets or latrines or privies and urinals for the separate use of each sex and to cause the same to be kept in proper order and to be daily cleaned.

Power of Commissioner as to unhealthy privies.

13. Where the Commissioner is of opinion that any privy is likely, by reason of its not being sufficiently detached from any building, to cause injury to the health of any person occupying such building, the Commissioner, with the previous approval of the Standing Committee, may, by written notice, require the owner or occupier of the premises in or on which such privy is situated either:—

(a) to so close up such privy as to prevent any person using the same, and to provide in lieu thereof such water-closet or privy accommodation or such urinal accommodation as the Commissioner may prescribe, or

(b) to provide between and said privy and any portion of the said building such air-space, open to the sky and situate entirely within the limits of the said premises, as the Commissioner may prescribe.

Provisions as to privies.

14. (1) The owner or occupier of any premises on which there is a privy, shall —

(a) have between such privy and any building or place used or intended to be used for human habitation, or in which any person may be or may be intended to be employed in any manufacture, trade or business, an air-space of at least three feet in width and open to the sky;
