

Power of carrying water-mains, etc.

192. (1) For the purpose of carrying, renewing and repairing water-mains, pipes and ducts within or without the City, the Commissioner shall have the same powers and be subject to the same restrictions as he has and is subject to under the provisions hereinbefore contained for carrying, renewing and repairing drains within the City.

(2) This section shall apply in respect of carrying, renewing and repairing private water-mains, pipes and ducts as it applies in respect of carrying, renewing and repairing municipal water-mains, pipes and ducts.

Fire-hydrants to be provided.

193. The Commissioner shall cause fire-hydrants and all necessary works, machinery and assistance for supplying water in case of fire to be provided and maintained and shall have painted or marked on the buildings and walls or in some other conspicuous manner, within the streets, words or marks near to such hydrants to denote the situation thereof, and shall cause a hydrantkey to be desposited at each place within the City where a municipal fire engine is kept, and do such other things for the purpose aforesaid as he shall deem expedient.

Prohibition of certain acts affecting the municipal water-works.

194. (1) Except with the permission of the Corporation, no person shall—

(a) erect any building for any purpose whatever on any part of such area as shall be demarcated by the Commissioner surrounding any lake, tank, well or reservoir from which a supply of water is derived for a municipal water-work;

(b) remove, alter, injure, damage or in any way interfere with the demarcation works of the area aforesaid;

(c) extend, alter or apply to any purpose different to that to which the same has been heretofore applied, any building already existing within the area aforesaid ; or

(d) carry on within the area aforesaid, any operation of manufacture trade or agriculture in any manner, or do any act whatever, whereby injury may arise to any such lake, tank, well or reservoir or to any portion thereof or whereby the water of any such lake, tank, well or reservoir may be fouled or rendered less wholesome.

(2) Except as hereinafter provided, no person shall—

(a) cause or suffer to percolate or drain into or upon any municipal water-work or to be brought therinto or thereupon anything, or to be done any act, whereby the water therein may be in any way fouled or polluted or its quality altered ;

(b) alter the surface of any municipal land adjacent to or forming part of any such work by digging thereinto or depositing thereon any substance;

(c) cause or suffer to enter into the water in such work any animal;

(d) throw or put anything into or upon the water in such work;

(e) bathe in or near such work; or

(f) wash or cause to be washed in or near such work any animal or thing.

Buildings, etc. not to be erected over municipal water-main without permission.

195. (1) Without the written permission of the Commissioner, no building, wall or structure of any kind shall be newly erected or re-erected and no street or minor railway shall be constructed, over any municipal water-main.

(2) If any building, wall or structure be so erected or re-erected or any street or minor railway be so constructed, the Commissioner may, with the approval of the Standing Committee, cause the same to be removed or otherwise dealt with as to him shall appear fit, and the expenses thereby incurred shall be paid by the person offending.
